

With its 4,300 employees and 32,500 students, the University of Graz provides an exciting and varied work environment. Due to our research and teaching competence we are a central institution for guaranteeing that Styria remains a research and education location.

The Centre for Information Modelling - Austrian Centre for Digital Humanities is looking for an

University Assistant without doctorate

(20 hours a week; expected employment for the period of 4 years; position to be filled as of July 1st 2016)

Job specification

- Independent scientific research in the subject area of "Digital Humanities", especially in the areas of "Digital Scholarly Edition" or "Digital Diplomatics"
- Participation in the development and implementation of research projects of the Centre in the subject area.
- Lecture activity in the subject area amounting to a total of 2 hours per academic year

Professional qualifications

- Relevant university degree in Humanities or Computer Science
- Experience in the field of IT-based (humanistic) research
- Experience with the application of digital methods on (humanistic) sources

Personal profile

- Excellent team- and organizational skills
- High level of commitment and motivation for scientific work

Classification

Salary scheme of the Universitäten-KV (University Collective Agreement): B1

Minimum salary

The minimum salary as stated in the collective agreement and according to the classification scheme is EUR 1348.30 gross/month. This minimum salary may be higher due to previous employment periods eligible for inclusion and other earnings and remunerations.

We offer you a job with a lot of responsibility and variety. You can expect an enjoyable work climate, flexible work hours and numerous possibilities for further education and personal development. Take advantage of the chance to enter into a challenging work environment full of team spirit and enthusiasm for your job.

Application Deadline: **May 13th 2016**

Reference Number: **MB/88/99 ex 2015/16**

The University of Graz strives to increase the proportion of women in particular in management and faculty positions and therefore encourages qualified women to apply.

Especially with regard to academic staff, we welcome applications from persons with disabilities who meet the requirements of the advertised position.

If you are interested, please submit your application documents within the stated deadline. Make sure to indicate the reference number on your application and send it, including your CV, photo and a short proposal (up to one page) of a Digital Humanities research project which you would like to implement, to:
