

summer of thinx paid internship

Calling all dreamers, doers and thinkers!

denkwerk is a digital agency with a location in Berlin and its headquarters in Cologne, which is home to the thinx lab. thinx is looking for 3 enthusiastic and inspired individuals who think outside the box for a summer internship

program. For 2 months you will gain hands-on experience in the areas of product design, programming and prototyping. From our workshop you will work with like-minded people putting innovative ideas into action and it might just turn out to be the next big thing! Interested?
